GENERAL

All Pennant and Inter Club matches shall be conducted in accordance with the AGI Rules governing Pennant matches, the Rules of Golf and the Local Rules of the Host Club. However, should any Local Rule(s) of the Host Club differ from the AGI Competition and Tournament Rules (e.g. motorised carts, distance measuring devices, etc.) the AGI Rule(s) shall apply.

TEAM SHEETS

Team sheets shall be sent to Auckland Golf by 4.00pm on the Tuesday prior to the Match. As manager of the Pennant and Inter Club competitions, AGI has supervisory right over all Team Sheets. Where the composition of any Team Sheet does not appear to conform with the spirit of the game regarding playing in strict order of merit, AGI, after inquiry, may direct that a revised acceptable Team Sheet be submitted within 24 hours. Failure to comply may result in disqualification of the team for that fixture.

PRACTICE ROUNDS

All Clubs competing in Pennants have an obligation to make practice rounds available to visiting Pennant team players and this arrangement be fairly reciprocated. Where practice rounds are granted, visiting Club players must comply with all rules regarding dress, playing more than one ball, tees etc., as stipulated by the Host Club. The usual course care and etiquette must be observed when playing a practice round. Practice rounds will be made available only to those players on the team sheet.

RECIPROCAL RIGHTS

As the course will not be closed on the day of the Pennant or Inter Club fixture, reciprocal rights cannot be requested. However, if Clubs wish to come to an arrangement, then that is a matter for the Clubs and AGI will not enter into any discussion.

STARTING TIMES

The Host Club must advise Visiting Clubs of starting times at least one week prior to the match. All grades of Senior Pennants and Inter Club matches starting times are at the discretion of the Host Club. Every endeavour should be made to complete the round on the scheduled day. Thus priority for play on the day must be accorded to Pennant or Inter Club players.

There are two options for the play-off structure that will be determined by AGI prior to the season starting:

1. Semi-finals shall be played in the morning and finals will be played in the afternoon on the same day.
2. Semi-finals shall be played in the morning and finals will be played in the morning on a different day.

2. Results sheet sent to AGI and the matter be brought to the attention of the AGI's CEO prior to midday of the first working day subsequent to the match.

f) Play-offs

In each division play-offs will occur using the following format

Such play off shall commence from a tee allocated by the Match Committee of the day. If a playoff is not possible the AGI Match Committee will determine the method of breaking the tie. In Interclub playoffs strokes are to be given.

For each division, the semi-final losers will be seeded the following year based on the seeding from the current year. The team seeded higher at the start of the year will be placed 3rd the following year.

g) Scorecards

The policy of Auckland Golf Inc. is that scorecards must be kept for individual stroke play rounds and handicap match play rounds. It is therefore mandatory that scorecards be kept for all Inter Club matches exceeding 13 holes. Players must exchange scorecards on the first tee of every match for InterClub Pennants. It is the player's responsibility to ensure the printed scorecard is correctly completed in all respects including hole by hole scores and signatures. Failure to complete a scorecard to the satisfaction of the Match Committee will result in the deduction of a point from the team's total for the day.

h) Late Arrivals - Refer Rule 5.3a

If a player fails to arrive at the tee ready to play within 5 minutes after his starting time and without a reason acceptable to the Match Committee, the penalty for failure to start on time is loss of the first hole. Once 5 minutes has elapsed, and in the absence of a reasonable excuse, the penalty is disqualification. If the reason is acceptable to the Match Committee, the time of arrival is immaterial and no penalty is imposed. Any discretion shown to a late arrival must be clearly stated to the player before he is permitted to commence play at a time stipulated by the Match Committee.

i) Substitutions

Players may only be substituted under this rule for reasons of necessity, such as accident, sickness or player unavailability. If a player is replaced or withdrawn from any team after the team list has been received at the AGI Office, substitution must take place as follows:

Before Friday 12:00 midday

If a player is replaced due to injury and **can provide a medical certificate**, teams may be resubmitted with the replacement player entered in the appropriate order of merit (for senior pennants) or handicap (for InterClub) order with the remaining players moving up (or down) one place.

Players shall not be moved out of the order they were entered in on the original team sheet submitted, other than to accommodate the replacement player.

After Friday midday

Senior Pennants - the substitute(s) shall fill the slot(s) vacated by the player(s) who withdrew. Where two or more substitutes are made in the placement of the substitutes in the vacant slots shall be in merit order. However, if a nominated pennant player is involved in the finals of the New Zealand or Australian Amateur Matchplay Championships, then the Club may play the substitute at the end of the Pennant team with the remaining players moving up one place until the substituted player's position has been filled.

Inter Club Pennants - the substitute(s) shall fill the slot(s) vacated by the player(s) who withdrew. Where two or more substitutions are made the placement of the substitutes in the vacant slots shall be in order of handicap indices on the day. (e.g. If team positions 2, 5 and 6 are to be substituted then the lowest handicapped sub plays at 2, the next lowest at 5, with the highest handicapped sub at 6). However, the aggregate indices of the players within the Inter Club team must not exceed the allowed limit of 95.5. Where this is not possible because of substitution, then the reduction in players handicaps occurs as per the handicap system with the substitute(s) placed in their respective playing positions.

A player who has been substituted cannot play in any Auckland pennants match on the same day. If he should do so his individual match shall be forfeited.

j) Defaulted Matches, Disqualifications and Withdrawals

When a team defaults it shall not, except under special dispensation from the Association, be permitted to play again in the same season. All points scored for and against the team shall be void. If dispensation is given, then maximum points for the defaulted match will be awarded to the opposing team. Should it be necessary for a team to default, they must advise the AGI and the opposing team as soon as possible.

k) Abandonment or Postponement of Play

If during play of a Pennant or Inter Club match the course becomes unplayable in terms of Rule 33-2d the match shall be replayed and a new team entry sheet shall be submitted for the replay of the match. In the event that the match cannot be replayed, teams will be awarded 4 points each. This rule applies whether or not any individual matches have been completed.

Host Clubs are required to provide adequate means of indicating to players postponement or suspension of play.

l) Cancellations
