

WOMEN'S NATIONAL CLUB TEAMS' CHAMPIONSHIP 2022

COMPETITION & SCORING GUIDELINES

- Individual scorecards will be printed from the Dot Golf system.
- **Each player will exchange her scorecard with a player from the other club before they tee off on their first hole.**
- After each hole is played, the player must enter the Gross and Nett score for herself and the Player whose card she is marking.
- Be aware that if a player is having a bad hole and wishes to pick up, she must ensure her **partner** has a score to count before she does so. Each pair must have 18 BB scores to count at the end of the game.
- When you have finished your round of golf complete your card with your **marker**. Make sure you have added and agreed and both signed.
- With your **partner** complete the paper score card provided by Auckland Golf Inc.
- **Check you have signed both your score card and the paper score card provided by Auckland Golf Inc.**
